About the Geneva Foundation of Presbyterian Homes

Presbyterian Homes' mission in 1904 was to establish a home for older adults with limited financial means. The Geneva Foundation was established by the Board of Directors of Presbyterian Homes in 2004 to be the charitable arm and strengthen Presbyterian Homes' benevolent capabilities in its second century of service. The Geneva Foundation raises fund for operations, programs and capital needs for the charitable programs of Presbyterian Homes.

The Geneva Foundation of Presbyterian Homes today provides one in six residents with residential, medical or social services, or with spiritual support. As a not-for-profit corporation, all financial support comes from the generous contributions of individual, foundation and corporate donors, as well as income from our endowment fund.

ABOUT PRESBYTERIAN HOMES

Founded in 1904, Presbyterian Homes is a not-for-profit, non-sectarian organization with a national reputation for creating extraordinary retirement communities. Presbyterian Homes serves more than 1700 older adults through its residential and healthcare programs on campuses in Evanston, Lake Forest and Arlington Heights. The organization is accredited by the CARF/CCAC, the nation's only accrediting body for retirement communities.
