Catch the *spirit* of Ten Twenty Grove

Ten Twenty Grove is more than an address. It is more than the gracious apartments tucked within a beautiful tree-lined neighborhood near vibrant downtown Evanston.

Ten Twenty Grove is a community of spirited people—who cherish their independence—and embrace life's endless possibilities. They are active individuals who have developed an amazing camaraderie. Ten Twenty Grove residents believe the best is yet to be.

Ten Twenty Grove is filled with extraordinary people—well-educated, community-minded, independent. They've taught, volunteered, run corporations and PTAs. They've built relationships with strong ties to family, friends and their communities.

Meeting your new neighbors at Ten Twenty Grove is easy. Lecture series, social activities and stimulating events instantly connect you with others who share your interests.

There are ongoing opportunities to join residents of other Presbyterian Homes communities in Evanston—at King Home and at Westminster Place—for trips, classes, or for exercise at the Kimble Fitness Center. Residents are welcome to dine at King Home or at Westminster Place.

While Ten Twenty Grove encourages and promotes your independence and current interests, residents quickly realize a warm, inviting sense of community. Yet there's always a respect for a person's privacy and personal life.

Among the services and amenities offered at Ten Twenty Grove, and included in the monthly fees, are:

- ☞ Weekly housekeeping and routine apartment maintenance
- ☞ Utilities (except telephone)
- ☞ Shuttle service to grocery stores, Kimble Fitness and Therapeutic Center, and other locations
- ☞ Emergency medical-response system
- ☞ Wellness services provided by the residential nurse
- ☞ Health care at the Hansen Clinic by staff physicians and specialists

As part of a continuing care retirement community, Ten Twenty Grove residents have priority access to assisted living residences at the Highlands of Evanston. Health care, including rehabilitation services and memory care, are also available at the McGaw Care Center, should the need arise.

We invite you to schedule an appointment by calling our Admissions Director at 847-864-5451 to tour Ten Twenty Grove, see our apartments, and perhaps have lunch. There is only one way to get that Ten Twenty Grove feeling—discover it for yourself.

Our Mission Statement

Presbyterian Homes is an independent, not-for-profit corporation providing the highest level of quality residential communities, health-care programs, and services for older adults from diverse social and economic backgrounds.

Through its programs and activities, Presbyterian Homes seeks to embody the values of the Christian tradition for persons of all faiths by attending to their physical, intellectual, social, emotional, and spiritual needs.

Through the Geneva Foundation, Presbyterian Homes assists older adults with limited financial resources.

By offering a comprehensive continuum of care and a nurturing environment, Presbyterian Homes encourages older adults to experience the fullness of life in community with dignity, joy, and the highest maximum level of independence their health will allow.
